We are doing market research to see if there is interest for a full time "Share The Road" License Plate. This requires a bill to be passed by the Illinois Legislature and a firm commitment for 850 plates before this can happen. Please answer the question below and have you friends answer as well if you want these plates.

**Are you interested in a FULL YEAR Share the Road Bicycle License Plate?
These plates would cost \$25.00 per year more than standard plates.**
